**Participate in crypto airdrops right on SwissBurg , see our full crypto airdrop calendar, upcoming and closed airdrops.**

SwissBurg exclusive upcoming crypto airdrops listed for your ease.

SwissBurg(SBG) has updated its official channels. for the new year with new start

The SBG token is one of the first cryptocurrencies to combine distress real estate opportunities with blockchain technology. The SBG token is classified as an utility token since the owners will not have any ownership or shares of the corporate private fund and do not receive any dividend. However, they will be able to benefit from its use and deployment through the platform.
